

Hot Wire My Heart

Crime

Mean installations
In my circulation
Dominating rhythm
Circulating systems
It's a Nazi operation
It's not my station
Too wild for the radio
AM/FM auxiliary mode
Too wild for the radio
Bass'd and trebled and ya got my levelHot wire my heart
Hot wire my heart
Hot wire my heart
Mobile units
They're movin' in
Approved input
They're slidin' in
You've got to auto reset
Coz honey we're your best betToo wild for the radio
AM/FM auxiliary mode
Too wild for the radio
Bass'd and trebled and ya got my levelHot wire my heart
Hot wire my heart
Hot wire my heartYou're workin' on the late shift
Honey let me see ya shift
Ya got your main burner
Just like Velvet Turner
Got your eye on the main control
Turn it on and lets go
Too wild for the radio
AM/FM auxiliary mode
Too wild for the radio
You're bass'd and trebled and ya got my levelHot wire my heart
Hot wire my heart
Hot wire my heartLike this
