Settle For Less

Before You Exit

Everybody deserves somebody,
but girl nobody, can love you like I do.You could be a supermodel,
president, or write a novel.
But he's holding you back,
and you're better than that.
He won't even buy you flowers,
stay up late and talk for hours.
I think I can do that,
I can be better than that.You should know, everybody deserves somebody,
but girl nobody can love you like I do.
And I'm not perfect,
but you're so worth it.
I wanna change the world for you.
So baby, don't settle for less.
You deserve the best, you're better than the rest.
And I can be the best. So baby, don't settle for less.I've been watching from the sideline,
his mistakes become my guidelines.
Cause he holding you back,
and you're better than that.
I would love to buy you flowers,
take the time to talk for hours. Ha
Yeah, I can do that, I can be better than that.You should know,
everybody deserves somebody,
but girl nobody can love you like I do.
And I'm not perfect,
but you're so worth it.
I wanna change the world for you.
So baby, don't settle for less.
You deserve the best,
you're better than the rest.
And I can be the best.
So baby, don't settle for less.
You deserve the best,
you're better than the rest.
And I can be the best. So baby, don't settle for less.He takes you for granted,
girl I can't stand it, watching you panic over him.
See he's just a nobody,
I can be somebody.
Someone to love till the end.Cause everybody deserves somebody,

but girl nobody can love you like I do.
And I'm not perfect,
but you're so worth it.
I wanna change the world for you.
So baby, don't settle for less.
You deserve the best, you're better than the rest.
And I can be the best. So baby, don't settle for less.
You deserve the best, you're better than the rest.
And I can be the best. So baby, don't settle for less.
