

# January Nights

## Lonely Kings

There's sometimes I don't go outside, cause it's a mission all it's own  
I'm afraid to see those other sights and those sights I've seen before  
The moments lost, another will arrive  
I guess that we will never know  
Whatever words were spoken late last night,  
I can't remember anymore  
January nights  
We can't burn this constant flame  
We can't afford the shame, no feel the heartbreak of desire  
You don't understand anymore  
January nights  
We can't burn this constant flame  
We can't afford the shame  
No heartbreak of desire  
You don't understand your games you can't avoid the blame  
Wide-awake and soaked in sweat  
Late last night couldn't have well enough alone  
I dreamed, I dreamed I was running with a knife  
And I kept running, running on understand it's part of me
