

# Wont Play The Game

## Jhene

[Jhene intro (Talking)]I'm not tryna mess with yall today man  
I know what yall gon try to do  
Tryna hook me up with him  
And let me talk to him  
Nah man I'm not... no  
I don't wanna experiment and date around  
You know I just want one guy  
I'm not, I'm not with all of that  
You know, meeting people  
And testin' the waters  
And stuff like that  
No, I just, I just want to date one guy  
And see where it goes from there  
You know, yeah  
There's no reason for me to do what you want me to (To)  
That's the truth  
Wanna chill by myself and its cool (Chill, cool)  
Despite what you may think  
Cause I say (Say)  
When the time is right (Time is right)  
The real thing will come into my life  
And until then I'm so satisfied  
And happy with me, oh  
Aint lookin' for nobody  
Homies sayin' that I should (No)  
I aint really searchin'  
Cause I know what I'm lookin' for  
Nothing to figure out  
Nothing to talk about (No)  
I won't play the game  
Don't wanna catch a show  
With every hottie in the hood  
I aint really stressin'  
Cause I know what I need and more  
Nothing to think about  
Nothing to talk about  
I won't play the game  
You think I'm lonely and I'm hurtin'  
Hopin' and searchin' for love (Hopin', for love)

But that just aint the case  
When I'm home alone  
Or chillin' with my friends  
I do it at my own pace (Whoa)  
Just cause you can't figure out (Figure out)  
What real love is all about  
Don't even think that's what I'm feelin' inside  
(Don't even think that's how I'm feelin' inside)  
Cause I'm not tryna rush it  
These tings take time

Aint lookin' for nobody  
Homies sayin' that I should  
I aint really searchin'  
Cause I know what I'm lookin' for (Lookin' for)  
Nothing to figure out  
Nothing to talk about  
I won't play the game  
Don't wanna catch a show (I don't wanna)  
With every hottie in the hood  
I aint really stressin' (I can't really stressin')  
Cause I know what I need and more (Cause I know what I need and more)  
Nothing to think about  
Nothing to talk about  
I won't play the game  
You may think I'm crazy, maybe  
But I got my mind made up (Up, it's true)  
It's true  
I'm not wasting my time  
Trying to find (Trying to find)  
What destiny has prepared for me (Has prepared for me)  
So I don't wanna talk no more

No  
Aint lookin' for nobody  
Homies sayin' that I should (I ain't really searchin' cause I know)  
I aint really searchin'  
Cause I know what I'm lookin' for  
Nothing to figure out  
Nothing to talk about (Oh no)  
I won't play the game  
Don't wanna catch a show  
With every hottie in the hood  
I aint really stressin' (I ain't really stressin')  
Cause I know what I need and more (Cause I know what I need and more)  
Nothing to think about (You can't get me to play the game)

Nothing to talk about  
I won't play the game  
Aint lookin for nobody  
Homies sayin' that I should  
I aint really searchin'  
Cause I know what I'm lookin for  
Nothing to figure out  
Nothing to talk about  
I won't play the game (I won't play the game)  
Don't wanna catch a show  
With every hottie in the hood  
I aint really stressin'  
Cause I know what I need and more (I know what I need and more)  
Nothing to think about  
Nothing to talk about  
I won't play the game
