

Sexify My Love

New Kids on the Block

Hey, baby I feel it, can't conceal it, gotta reveal it
'Cause I'm in the mood to give it to ya
Really gotta concentrate and now we're gonna consummate
So, lets conversate
'Cause I think it's time that we became one love
One body, girl, I wanna get it started
It's our own little private party, forget about tomorrow right now
Right now, we could have forever tonight
Right now, right now, freakin' it however you like [Chorus]
Sexify my love, give into my touch
Baby, tonight I'm gonna set you free
Sexify my love, let your body talk
Baby, surrender all your lovin' to me
Sexify my love, sexify my love
Girl, don't be shy, you're looking so fly,
Tonight I wanna try every position we can dream of
All over the house, workin' that thing, girl, makin' you shout
Take it fast, slow, do it like a pole slide, all the ways to get low, low
One body, it's our own little private party
Let's do this, let's get started
Forget about tomorrow, right now
Right now, we could have forever tonight
Right now, right now, freakin' it however you like [Chorus]
Sexify my love, sexify my love
I don't care where we are, on the hood of my car
Out in public, making love in the streets
All alone, back at home, we can do anything you want
I'll give you heaven while we mess up the sheets [Chorus: x4]
