

# World Hold On (Children Of The Sky)

## Bob Sinclair

Oh yeah, yeah  
Open up your heart, what do you feel  
Open up your heart, what do you feel, is realThe big bang may be a million years away  
But I can't think of a better time to sayWorld, hold on  
Instead of messing with our future, open up inside  
World, hold on  
Wonder you will have to answer to the children of the skyWorld, hold on  
Instead of messing with our future  
Tell me no more lies  
World, hold on  
Wonder you will have to answer to the children of the skyChildren of the sky  
Children of the skyLook inside, you'll find a deeper love  
The kind that only comes from high aboveIf you ever meet your inner child, don't cry  
Tell them everything is gonna be alrightWorld, hold on  
Instead of messing with our future, open up inside  
World, hold on  
Wonder you will have to answer to the children of the skyWorld, hold on  
Come one, everybody in the universe, come on  
World, hold on  
Wonder you will have to answer to the children of the skyChildren of the sky, alright  
Open up your heart  
Tell me, how do you feelListen now, tell them everything, right here right now  
Alright, everybody, here in the world  
You are all the children, alrightTogether now, unite, and fight, oh  
Open up you heart, no, peace, love for everyoneOh, no no no no no, alright, to the four corners of the world  
Sing it loud, sing it loud, sing it loud loud  
world hold on sing it loud, sing it proud  
everybody, yeah yeah yeah yeah, oh  
Don't take no for an answer, no no, not todayRight here, spread love, everybody join together now  
One race, one heart, love and unity, everybody sing  
yeah!World, hold on  
Come one, everybody in the universe, come on  
World, hold on  
Wonder you will have to answer to the children of the skyWorld, hold on  
Come one, everybody in the universe, come on  
World, hold on  
Wonder you will have to answer to the children of the sky
