

Stand by Me

Shayne Ward

Nothing's impossible
Nothing's unreachable
When I am weary
You make me stronger
This love is beautiful
So unforgettable
I feel no winter cold
When where together
When were together[Chorus]
Will you stand by me
Hold on and never let me go
Will you stand by me
With you I know I belong
When the story gets toldWhen day turns into night
I look into your eyes
I see my future now
All the world and its wonderThis love wont fade away
And through the hardest days
I'll never question us
You are the reason
Why only reasonWill you stand by me
Hold on and never let me go
Will you stand by me
With you I know I belong
When the story gets toldI am blessed
To find what I need
In a world losing hope
Your my only believe
You make things right
Every time after timeWill you stand by me
Hold on and never let me go
Will you stand by me
With you I know I belong
When the story gets told[Chorus]Stand by me
No more darlin' I want you by my side
I want you hear with me
