Bones

Diamond Head

Lightning strikes the earth
Builds man from ashes
He's humble, he reaps, he grows
Watched it all erode
He trembles and hides
In his castle that's made of your bonesAnd all that you gave
Watch the whole world crumble
And wasted away
Your greed will seed the end
On the edge
On the edge
On the edge
On the edge of your bonesErupting in hatred
Man will deplete all your heart, your love, your soul
Reflect on the ages
We tremble and hide
In the castle that's made of your bonesAnd all that you gave
Watch the whole world crumble
And wasted away
Your greed will seed the endOn the edge
On the edge
On the edge
On the edge of your bones
On the edge
On the edge
On the edge
On the edge of your bonesWhile you run on the edge
Once you run on the edge
