

If Looks Could Kill

Timomatic

She got it , the way she steals the show, oh

I want it, and she dont even know, oh

That body, she lookin so dangerous

So criminal

She pull me up, then shut me down

And I cant do a thing about it

I feel the rush, cant get enough

but you kick me when Im reachin for yaIF LOOKS COULD KILL

Youd be the death of me, death of me, death of me, girl..

IF LOOKS COULD KILL

Youd be the death of me, death of me, death of me, girl..

So baby, baby come look my way

baby, baby come look my way

baby, baby come look my way, wa-ay

IF LOOKS COULD KILL

Youd be the death of me, death of me, death of me, girl..She work it like a murder on the dance floor
