Fast Forward to 2012

A Day to Remember

We welcome you to the second chapter
Thanks for turning the other page
We acknowledge you as the only reason
For the progress that we've madeYou're a, a constant reminder
We came, we saw, we conquered
Everything has come so far
From where we were beforeWell, keep this short and sweet so
I'll get to the pointMy friends come first, it's the bottom line
My friends come first, it's the bottom line
My friends come first, it's the bottom line
My friends come first, that's the bottom line
That's the bottom lineHere's to the future, never getting older
When the tables do turn, where will you be?Pick up your feet
