Under The Stairs

The Birthday Massacre

You know you're too young for your age
I feel kind of sorry for you
'Cause it's such a shame
You won't be laughing when I'm dead
Nothing here has changed
Maybe you should go and find
Someone else to blame
'Cause you are gonna be sorry when I'm dead
Under stairs and no one cares I'm dead
And that is where I'll wait for you
