Golden Cage

Jill Sobule

So frail like a dying bird, so afraid
So pale like a ghost in the wind, blowing awayWaiting for someone to find you
Someone carefully kind
Someone strong enough to hold you
Someone to provideIt'll cost you and it's a high price to pay
It'll cost you for a golden cageSo cold at the slightest touch, so afraid
Still yearning for a burning love, you kill the flameWaiting for someone to find you
Someone carefully kind
Someone strong enough to hold you
Someone to provideIt'll cost you and it's a high price to pay
It'll cost you for a golden cageIt's not a perfect world
It's not a perfect world
It's not a perfect world
It's not a perfect worldWaiting for someone to find you
Someone carefully kind
Someone strong enough to hold you
Someone to provideIt'll cost you and it's a high price to pay
It'll cost you for a golden cageIt's not a perfect world
It's not a perfect world
It's not a perfect world
It's not a perfect worldIt's not a perfect world
It's not a perfect world
It's not a perfect world
It's not a perfect worldIt's not a perfect world, oh
It's not a perfect world
It's not a perfect world, oh
It's not a perfect world
