Let me try again

Lord's

I know I said that I was leaving
But I just couldn't say goodbye
It was only self-deceiving
To walk away from someone who
Means everything in life to you
You learn from every lonely day
I've learned and I've come back to stayLet me try again, let me try again
Think of all we had before
Let me try once more
We can have it all you and I again
Just forgive me or I'll die
Please let me try againI was such a fool to doubt you
To try to go it all alone
There's no sense to life without you
Now all I do is just exist
And think about the chance I've missed
To beg is not an easy task
But pride is such a foolish maskLet me try again, let me try again
Think of all we had before
Let me try once more
We can have it all you and I again
Just forgive me or I'll die
Please let me try again
