

# Let me try again

## Lord's

I know I said that I was leaving  
But I just couldn't say goodbye  
It was only self-deceiving  
To walk away from someone who  
Means everything in life to you  
You learn from every lonely day  
I've learned and I've come back to stay  
Let me try again, let me try again  
Think of all we had before  
Let me try once more  
We can have it all you and I again  
Just forgive me or I'll die  
Please let me try again  
I was such a fool to doubt you  
To try to go it all alone  
There's no sense to life without you  
Now all I do is just exist  
And think about the chance I've missed  
To beg is not an easy task  
But pride is such a foolish mask  
Let me try again, let me try again  
Think of all we had before  
Let me try once more  
We can have it all you and I again  
Just forgive me or I'll die  
Please let me try again
