War Sung (On Syrup)

War Sung - by Classic Jigga

Right here with you...

Weâ€™ve been right here with you.

Right here with you.

When your drilling became excessive...You went the distance.

When the Calm was Pro-war...and the Fast was Anti-War.

When our Flag was up all night long.

Weâ€™re Right here with you.

Weâ€™ve been right here with you.

Right here with you.

When Mess Rations were low...You went the distance.

When the Calm was Pacified...and the fast was anti-pacifist.

When our Flag was half-Staffed all day.

Weâ€™re Right here with you.

Weâ€™ve been right here with you.

Right here with you.

When Recruitment was low...You went the distance.

When society's attitudes was Calm...and society's attitudes was Fast.

When our Flags were in the hands of our Honor Guard.

Folds, Sunup, Sundown, Weather, Reverence

Weâ€™re Right here with you.

Weâ€™ve been right here with you.

Right here with you.

When the Sad and Lonely weeped about the Cruel War...You went distance.

When Protest was welcomed by Peace Movementâ€™s Calm or Fast.

When we raised our Flags...

Weâ€™re Right here with you.

Weâ€™ve been right here with you.

Right here with you.
