The Best Day Ever

Spongebob Squarepants

Mr. Sun came up and he smiled at me
Said it's gonna be a good one just wait
And see
Jumped outta bed, and I ran outside
Feeling so extra ecstatifiedIt's the best day ever (best day ever)
It's the best day ever (best day ever)I'm so busy got nothing to do
Spent the last two hours just tying my shoe
Every flower, every grain of sand
Is reaching out to shake my handIt's the best day ever (best day ever)
It's the best day ever (best day ever)Sometimes the little things
Start closing in on me
When I'm feeling down
I wanna lose that frown
I stick my head out the window
And I look aroundThose clouds don't scare me
They can't disguise
The magic that's happening
Right before my eyes
Soon Mr. Moon will be shining bright
So the best day ever can last all night
Yeah, the best day ever's gonna last
All nightIt's the best day ever (best day ever)
It's the best day ever (best day ever)It's the best day ever (best day ever)
It's the best day ever (best day ever)
