

Do Nothin' Till You Hear from Me

Diana Krall

Do nothin' till you hear from me
Pay no attention to what is said
Why people tear the seams of anyone's dreams?
It's over my head Do nothin' till you hear from me
At least consider our romance
If you should take the word of others you've heard
I haven't a chance True I've been seen with someone new
That doesn't mean that I've been untrue
Though we're apart, these words in my heart
Reveal how I feel about you So kiss me cloud my memory
And other arms may hold a thrill
But please do nothin' till you hear it from me
And you never will
