

High Blood Pressure

Boz Scaggs

I get a High Blood Pressure
When you call my name, uh
I get a High Blood Pressure
When you call my name, uh.
I get a High Blood Pressure
Baby, when you by my side,
I get a High Blood Pressure
when you by my side, uh
I get a High Blood Pressure
When you speak to me, oh yeah
I get a High Blood Pressure
I can hardly breathing, oh yeah.
I get a High Blood Pressure
Baby when you're in my arms,
I get a High Blood Pressure
Yeah, baby when you're in my arms, uh. And I start to jump up and down in my ring
Hard start to jump up and down as a spring
Chills run up and down my spine it's true,
My face gets all sweat and it's all because of you. And, I get a High Blood Pressure
Cause my eyes go mad.
And my heart gets to jump it's a terrible swing
My heart get to pump up and down my pain
Chills run up and down my spine it's true,
My face gets all sweat and it's all because of you. I get a High Blood Pressure
'Cause I'm your man! Oh, yeah
