

# Unforgiven

## The Go-go's

Always trying to clean up my catastrophes  
Taking full responsibility  
Living my life like every day is the last  
Remodeling the wreckage of my pastBut when it comes to you  
I know I said I do  
But I dont, no, I dontYoure unforgiven, so go on living  
Knowing that I've unforgiven you  
And my thanksgiving came the day  
I saw it was okay to unforgive youConfessing every sin doesnt make me a saint  
Even though its obvious, Ive changed  
Once I forgave you but I did not forget  
Now Im taking back everything I saidYoure unforgiven, so go on living  
Knowing that I've unforgiven you  
And my Thanksgiving came the day  
I saw it was okay to unforgive you
