Dead Ringer For Love

Meat Loaf

Every night I grab some money

And I go down to the bar

I got my buddies and a beer

I got a dream, I need a carYou got me begging on my knees

C'mon and throw the dog a bone

A man, he doesn't live by

Rock 'n' Roll and brew aloneBaby, baby

Rock 'n' Roll and brew

Rock 'n' Roll and brew

They don't mean a thing

When I compare 'em next to youRock 'n' Roll and brew

Rock 'n' Roll and brew

I know that you and I

We got better things to doBut don't know who you are? What you do?

Where you go? When you're not around

I don't know anything about you, baby

But you're everything I'm dreaming of

I don't know who you are

But you're a real dead ringer for love

A real dead ringer for loveEver since I can remember

You've been hanging around this joint

You've been trying to look away

But now you finally got the pointI don't have to know your name

And I won't tell you what to do

But a girl, she doesn't live by only

Rock 'n' Roll and brewBaby, baby, baby, baby

Rock 'n' Roll and brew

Rock 'n' Roll and brew

They don't mean a thing

When I compare 'em next to youRock 'n' Roll and brew

Rock 'n' Roll and brew

I know that you and I

We got better things to doI don't know who you are? What you do?

Where you go? When you're not around

I don't know anything about you, baby

But you're everything I'm dreaming of

I don't know who you are

But you're a real dead ringer for love

A real dead ringer for loveOoh, you got the kind of legs

That do more than walk

I don't have to listen

To your whimpering talkListen, you got the kind of eyes

That do more than see

You gotta lot of nerve

Come on to meYou got the kind of lips

That do more than drink

You got the kind of mind

That does less than thinkBut since I'm feeling kinda lonely

And my defenses are low

Why don't we give it shot?

And get ready to goI'm looking for anonymous

And fleeting satisfaction

I want to tell my daddy

I'll be missing in actionEver since I can remember

I've been hanging around this joint

My daddy never noticed it

Now he finally got the pointYou got me beggin' on my knees

C'mon and throw the dog a bone

A man he doesn't live by

Rock 'n' Roll and brew aloneBaby, baby, baby, baby

Rock 'n' Roll and brew

Rock 'n' Roll and brew

I know that you and I

We got better things to doRock 'n' roll and brew

Rock 'n' roll and brew

They don't mean a thing

When I compare 'em next to youI don't know who you are? Or what you do?

Or where you go? When you're not around

I don't know anything about you, baby

But you're everything I'm dreaming of

I don't know who you are

But you're a real dead ringer for love

A real dead ringer for loveDead ringer for love

Dead ringer for love

Dead ringer for love
