

# Silent People

## The Wannadies

I want to go where the silent people go  
because I've been told  
silence is gold  
being without being heard, without a word  
and I would nod  
there's a god  
and you - how about you  
a whole new flavour  
if you hear it, taste it  
soon is not too soon  
you can be a humble dreamboy too  
I want to go where the silent people dream  
about simple things  
everyone's a king  
being without being hurt - oh how absurd  
if there's a god  
he's in that world  
and you - how about you  
a whole new flavour  
if you hear it, taste it  
soon is not too soon  
you can be a humble dreamboy too  
and if you hear it maybe  
you can go there too  
you can be a humble dreamboy too
