

# Catch Me (Jorge Duran Remix)

[Demi Lovato](#)

Before I fall too fast  
Kiss me quick but make it last  
So I can see how badly this will hurt me when you say goodbye  
Keep it sweet  
Keep it slow  
Let the future pass but don't let go  
But tonight I could fall too soon into this beautiful moonlight  
But you're so hypnotizing  
You've got me laughing while I sing  
You've got me smiling in my sleep  
And I can see this unraveling  
Your love is where I'm falling  
So please don't catch me  
See this heart won't settle down  
Like a child running scared from a clown  
I'm terrified of what you do  
My stomach screams just when I look at you  
Run far away so I can breathe  
Even though you're far from suffocating me  
But I can't get my hopes too high  
'Cause every hello ends with a goodbye  
But you're so hypnotizing  
You've got me laughing while I sing  
You've got me smiling in my sleep  
And I can see this unraveling  
Your love is where I'm falling  
So please don't catch me  
Now you see why I'm scared  
I can't open up my heart without care  
So here I go  
It's what I feel  
For the first time in my life I know it's real  
But you're so hypnotizing  
You've got me laughing while I sing  
You've got me smiling in my sleep  
And I can see this unraveling  
Your love is where I'm falling  
So please don't catch me  
If this is love please don't break me  
I'm giving up so just catch me
