[Verse 3 - Drake]

Went from my nigga serving it by the tele to venues in Manchester

Just swerving with Balotelli the fuck are you trying to tell me

Bothers me when you got to play therapist

That shit's embarrassing

They even bring up these niggas make a comparison

They just got to forgive me, this watch is a 150

Still ain't got the time for a bitch to be acting iffy

Running through the city with niggas I'd give a kidney  
Selling under 150 you niggas got to be kidding  
Is this even still a discussion?  
Don't you ever wake up disgusted  
Every million I gain an enemy or a cousin  
And people's feelings have changed ever since I became something  
Girls that becoming ladies, and my friends are having babies  
And babies are dropping dead in my city, this shit is crazy  
And I don't know if speaking on it helps  
This is shit that's on my mind I just keep it to myself  
You know  
[Bridge - Aaliyah]  
Can you talk to me,  
Let's talk about it (Talk About It)  
Tell me what you need,  
Just tell me baby (Tell Me Baby)  
(Yo What's Up)  
Said I,  
Would like to know (So Talk To Me)  
Need your love x2  
Sometimes you are, all alone  
Need your love x3  
But there's no doubt (No Doubt I)  
So look don't just shut me out (You Know)  
Cause that's not what loves about  
Tell me why  
[Bridge 2 - Aaliyah]  
Yeah x7 (Yeah Yea)  
Yeah x7  
No I can't ( Ooh Baby)  
Came too far  
Yeah x6  
To give up (Gotta Try)  
Cause I,  
I can't do it on my own (Oww Ooh)  
Can you talk to me (Can You Talk To Me)  
Tell me what you need (Tell Me What You Need)  
Can you talk to me (Can You Talk To Me)  
Tell me what you need (Tell Me What You Need)
