Beherit

Son of Satan born of fire living in Sodom
Demonical youth blackened soul in full control
Evil omen birth of fear change of tide
Ritual of darkness raise the antiChrist
Order of death, bleed the altar
Descent of blood summoned to destroy
Nazareh must die by his command
Rising from pits of hell to drink the blood
AntiChrist born
Hate from Hades
AntiChrist born
Fire from Hell
Son of Hell attack with burning plague
Pray upon the torn flesh of innocent
Kill Christ blood on the cross sacrifice
Armeggon of war commence wholy die
Breeding of hate preform the darkest rites
Calling forth the black heart of damnation
The vengeance of war won by Hell incarnate
Victory of evil rise demoniac
