Dreams By The Sea

John Martyn

N-no, n-no, it can't be true
N-no, n-no, it isn't you
N-no, n-no, it's not the way you areN-no, n-no, it isn't you
N-no, n-no, it can't be true
N-no, n-no, it's not the way you areBad dreams for me
Bad dreams by the seaDreamin', you've got a lover
Dreamin', I got another
Dreamin' that there's a killer in your eyesDreamin', that you're a user
Dreamin', that I'm a loser
Dreamin' that there's a killer in my eyesBad dreams for me
Bad dreams by the seaDreamin' about a place of shades
Dreamin' about the ace of spades
Dreamin' that it's takin' things too farN-no, n-no, it can't be you
N-no, n-no, it isn't true
N-no, n-no, it's not the way you areBad dreams for me
Bad dreams by the sea
