

# Lost In Your Love

Gary Moore

Can't seem to find no way out of here  
But maybe I'm not even tryin'  
Everyday one thing becomes so clear  
There is no point in denying  
That I'm lost in your love  
I'm so lost in your love  
It's been this way such a long long time  
Oh, ever since I can remember  
From that sweet moment when you were mine  
On that cold night in November  
'Ve been lost in your love  
I'm lost in your love  
I'm so lost in your love  
So lost in your love  
Can't seem to find no way out of here  
But maybe I'm not even tryin'  
Everyday one thing becomes so clear  
There is no point in denying  
That I'm lost in your love  
So lost in your love  
I'm so lost in your love  
I'm so lost in your love  
I'm lost, I'm lost, I'm lost, I'm lost  
I'm so lost, I'm so lost  
I'm lost, I'm so lost  
Inside your love  
Inside your love  
Inside your love
