

# You Want What We Got

## Twisted Sister

I know what you want  
You want what we got  
I know what you want  
You want what we got Sometimes you drive me mad  
With the things you say and do  
You act like we're so bad  
Well, I got a message for you You don't fool anyone  
With your jealousy  
You want it all and give us none  
That ain't the way it's gonna be I know what you want  
You want what we got  
I know what you want  
You want what we got Checkmate we named your tune  
Don't give me no alibis  
We burst your red balloon  
Maybe now you realize When you laugh and put us down  
You're tryin' to cover up your fears  
Just like a circus clown  
It's just a mask, just a mask to hide your tears I know what you want  
You want what we got  
I know what you want  
You want what we got You want it, we got it  
We got it, you don't  
You want it, we got it  
We got it, you won't You want it, we got it  
We got it, you don't  
You want it, we got it  
We got it, you won't I know what you want  
You want what we got  
I know what you want  
You want what we got I know what you want  
You want what we got  
I know what you want  
You want what we got I know what you want  
(You want it)  
You want what we got  
(We got it)  
I know what you want  
(You want it)

You want what we got I know what you want  
(You know what I got)  
You want what we got  
(I got what they got)  
I know what you want  
(You want what I got)  
You want what we got  
(They want what we got)
