

(Come Away) Melinda

UFO

Daddy daddy, come and look
Come and see what I have found
A little way's away from here
While digging in the ground Come away Melinda
Come in and close the door
That thing's just a picture book
They had before the war Daddy daddy, come and see
Daddy, hurry, do
There's someone in a pretty dress
And she's all grown up just like you Come away Melinda
Come in and close the door
Someone is your mommy
You had before the war Daddy daddy, tell me please
Tell me if you can
Why things can't be the way they were
Before this war began? Come away Melinda
Come in and close the door
Answer lies in yesterday
Before they had the war
