

Bad Scene (2004 Remastered Version)

Ten Years After

You ruin my day, you ruin my night
You ruin everything I do
You're killing my way, you're killing my life
You're killing everything I do You're hurting my heart, you're hurting my pride
You're hurting everything I own
You're choking my head, it's choking inside
Why don't you leave my life alone? Just want to do it like it used to be
So, why don't you leave it up to me
I want to tell you if you think it's right
Baby, won't you do it right? [Incomprehensible] You're hurting my heart, you're hurting my pride
You're hurting everything I own
You're choking my head, it's choking inside
Why don't you leave my life alone? You're hurting my heart, you're hurting my pride
You're hurting everything I own
You're choking my head, it's choking inside
Why don't you leave my life alone?
