

Same Ol' G

Ginuwine

The only time I drink a 40
Is when I wanna drink a 40
And usually when I wear a suit
I leave with not one but two
I'm not trying to hurt nobody
You only live once they told me
You can't be mad at me
I can just be G
Even though I got my own C.D.
Maybe even on T.V.
There ain't no changing me
I can only be me, me, me
Even though I might be on T.V.
'Cause I got my own C.D.
All you will ever see
Same ol' G

I used to be the main one clubbin'
But now I choose to stay at home
Most of my friends still thuggin'
This time the Gs full grown
I'm thinking 'bout my future lately
Whatever that may be
But now it's clear to me
I can just be G
Even though I got my own C.D.
Maybe even on T.V.
There ain't no changing me
I can only be me, me, me
Even though I might be on T.V.
'Cause I got my own C.D.
All you will ever see
Same ol' G
Hello y'all

Yeah, this that Timbaland coming to ya one mo 'gain
You see, people say that we're changing

But I think it's the people that around us that are changing
You see, we ain't tryna hurt nobody
People tryna hurt us

But you know what I'ma keep being me
That's all I can do in this life time, check it

Day after day

I continue to be

Me oh me

That's all I can be

Ooh, day after day

I continue to be

Me oh me

Same ol' G

Even though I got my own C.D.

Maybe even on T.V.

There ain't no changing me

I can only be me, me, me

Even though I might be on T.V.

'Cause I got my own C.D.

All you will ever see

Same ol' G

Even though I got my own C.D.

Maybe even on T.V.

There ain't no changing me

I can only be me me me

Even though I might be on T.V.

'Cause I got my own C.D.

All you will ever see

Same ol' G

Same ol' G

Same ol' G

Even though I got my own C.D.

Maybe even on T.V.
