The Devil Made Me Do It

Thunder

I was a young kid of thirteen, never been kissed
A mass of hormones with legs on
I didn't know what to do, I did not have a clue
I was tissues and tensionAll the girls my own age
They never really did for me
I needed someone more safisticated
And I found her in a magazineBless me Father for I've
Sinned and I'm a low life
Will I still be able to see?
I'd nothing to do with it
The Devil made me do it
Don't be blaming me
It's a travestyI know wasn't me, oh noI met a guy who was rich and a bit of a fool
And his girlfriend was beautiful
I never worked out the reason, I liked him so much
Till I saw her lying by his pool
YeahWhen she caught me staring
She smiled in that wicked way
To my surprise there was a knock at my door
And there she was the next dayLike riding on a rocket, I'm powerless to stop it
I tried to push her away
Lord I guess she knew it
The Devil made me do it
Tell me what do you say
When its gonna happen anywayHey
Yeah eh yeah
WhooThe Devil made me do it
The Devil made me do itYou know he really made me do itThe Devil made me do it
The Devil made me do it!!
The Devil made me do it!!You know he really made me do it!!The Devil made me do it!!Like riding on a rocket, Im powerless to stop it
I tried to push her away
Lord I guess she knew it, the Devil made me do it
It was gonna happen anyway(The Devil made me do it)OowwI've nothing to do with it, the Devil made me do it
Don't be blaming me
I'm innocent as I can be.
