

Heaven Can Wait

Dean Martin

Heaven can wait, this is paradise
Just being here with you
And breathing the air you do
Heaven can waitDarlin' it's true, this is paradise
Gazing at all your charms
It's heavenly in your arms
Heaven can waitYou must be an angel
On a visit from the sky
Now I look at heaven
When I look into your eyesHeaven can wait, this is paradise
Loving the way we do
Until I go there with you
Heaven can waitHeaven can wait, this is paradise
Loving the way that we do
Until I go there with you
Heaven can waitHeaven can wait
Heaven can wait
Heaven can wait
