# Girl In Your Dreams

## M2m

I was walking down the street one day
And then I saw you I didn't know what to say
You're eyes were shining, you're smile was so kind
When I saw you, I wanted you to be mine
Maybe I don't have the blonde hair you like
Or maybe I don't have eyes like the sky
And I'm not sure if I'm the girl in your dreams
But I can show you what love means
One day you came and talked to me
And you said we are meant to be
I was happy, everything was so nice
But then I found out that everything was a lie
Maybe I don't have the blonde hair you like
Or maybe I don't have eyes like the sky
And I'm not sure if I'm the girl in your dreams
But I can show you what love means
How could you do this to me?
You said we are meant to be
You showed me how to cry
When you told me that everything was a lie
Maybe I don't have the blonde hair you like
Or maybe I don't have eyes like the sky
And I'm not sure if I'm the girl in your dreams
But I can show you what love means
Love means, yeah, love means, love means
