

Present Tense

Averkiou

I would like to think about it
Not just take a glimpse around it
 You know just what I mean
 If you've got another minute
 It would be nice to be in it
 Why would we move so fast
 Even with the best of reasons
You still can't go changing seasons
 And autumn leaves are changing hue
 And if you're home I'll pick you up sometime
We'll go out driving and see the sights and sounds and way it used to be
 Its always nice to hear an oldie
 Turn to putty but that's the old me
 The new is hard as rock
How can we judge if your summer was better than mine
 And how can we tell if the moment is in its prime
 And words flow like wine
 And everyone's taking their time
To see what I mean, lean, furious machine
 There is never a dull conclusion
 Just a good friendly ending protrusion
 Into the state of affairs
