# Crawl Away

## Lambchop

You crawled away from me.
slipped away from me.
I tried to keep a hold,
but there was nothing I could say.
you slid and crept away
and there was nothing I could say.
so what you're trying to say
is you don't wanna play.
but what you want and what you need
doesn't mean a fuck to me.
because I can see your back is turning.
if I could I'd stick the knife in.
this is love.
this is my love for you.
get up.
now.
say you won't go.
