

# Wanna Be Your Baby

Zara Larsson

Sometimes at night when I turn off the lights  
I be thinking about you  
Baby, baby, baby, yeah  
Tossing in my bed all these thoughts in my head  
Got me losing my breath now  
Baby, baby, baby, yeah Tell me what would you do  
If you only knew  
How I feel about you  
About you I wanna your be first, your last, your everything  
I wanna be in your arms and definitely  
I wanna be someone you keep coming back to see  
I wanna be one  
I wanna be who  
Wanna be your baby Deep down inside there's an unending fire  
And I just can't contain it  
Baby, baby, baby, yeah You're the only one who can  
Show me that you feel the same  
I wanna hear you say my name  
Baby, baby, baby, yeah Tell me what would you do  
If you only knew  
How I feel about you  
About you I wanna your be first, your last, your everything  
I wanna be in your arms and definitely  
I wanna be someone you keep coming back to see  
I wanna be one  
I wanna be who  
Wanna be your baby Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh I wanna your be first, your last, your everything  
I wanna be in your arms and definitely  
I wanna be someone you keep coming back to see  
I wanna be one  
I wanna be who  
I wanna be your baby  
I wanna be your baby  
Baby, baby, baby  
Oh yeah  
Baby, baby  
Oh yeah
