

Calico Grey

R. Scott

Wandering alone
Smokinâ€™ cigarettes in the rain
Ainâ€™t nothinâ€™ profound
Come my way â€“ today

Then I saw a guy
Either a bum or a seer
He held a sign sayinâ€™
â€œI wonâ€™t lie, I need beer.â€•

When it comes it comes
I wonâ€™t walk, wonâ€™t run away
A tell tale sign - Calico Grey

And that is that
Itâ€™s just a matter of fact
Age drawn lines - Calico Grey

Finding my way
Through the smoke and back alley ways
Burninâ€™ eyes â€“ red and glazed

Wandering alone
Tossinâ€™ Camels in the rain
Ainâ€™t nothinâ€™ profound
Come my way

When it comes it comes
I wonâ€™t walk, wonâ€™t run away
A tell tale sign - Calico Grey

And that is that
Itâ€™s just a matter of fact
Age drawn lines - Calico Grey
