You Only Live Once

Kyle Spratt

My lifeâ€™s a game, that I canâ€™t stop playing. Ups and downs itâ€™s constantly changing. Iâ€™m a little careles
risks that I take, but Iâ€™m man enough to admit my mistakes. And I keep on learning as I keep on growing.
Everytime a door closes another one opens I just gotta keep going. I would never give up I gotta live up for the
moment cause you only live once.

People think my life is the best, but it isnâ€™t the best. Itâ€™s full of shit, itâ€™s a mess. Iâ€™m sick in the head cau
of the stress. Never happy, sometimes I wish I was dead. I feel poor, donâ€™t matter if Iâ€™m rich or that Iâ€™m alv
pissed or depressed or bitter and less. Iâ€™ll pick up the pen and get shit off my chest. Thank God, God gave me
this gift I was blessed with. Without music I wouldnâ€™t exist, Iâ€™d be dead. But people think Iâ€™m just a prick v
obsessed with figuring out who heâ€™s gonna talk shit to next. But I never dis you unless you disrespect. Your shit
talk is player so give it a rest. It really doesnâ€™t matter how sick that I get cause you haters are thick in the head,
even if I was the greatest you still wouldnâ€™t admit Iâ€™m the best.

My lifeâ€™s a game, that I canâ€™t stop playing. Ups and downs itâ€™s constantly changing. Iâ€™m a little careles
risks that I take, but Iâ€™m man enough to admit my mistakes. And I keep on learning as I keep on growing.
Everytime a door closes another one opens I just gotta keep going. I would never give up I gotta live up for the
moment cause you only live once.

I started rhyming words in grade 6 and faster than I could have been taught. I learned the basics then hit the
studios at grade 10, but I was writing every day up until then. Grade 11 made my first CD, the drama EP. Drama
lead beef and beef always leads to controversy, which I always seem to cause unintentionally. But it happened I
cause a lot I could tell, got me known for rapping but it got me expelled. I was shocked, it taught me a lesson. I
spent 3 weeks in the hospital for depression. In there I wrote Iâ€™m crazy, I got released, then I released it. Then on
july 17th it got played on the radio. I couldnâ€™t believe it had proved that everything happens for a reason

My lifeâ€™s a game, that I canâ€™t stop playing. Ups and downs itâ€™s constantly changing. Iâ€™m a little careles
risks that I take, but Iâ€™m man enough to admit my mistakes. And I keep on learning as I keep on growing.
Everytime a door closes another one opens I just gotta keep going. I would never give up I gotta live up for the
moment cause you only live once.

People say lifeâ€™s a bitch then you die. I say lifeâ€™s a bitch but imam make it mine. The clock keeps ticking, donâ
waste your time, like I wasted mine. The biggest mistake of mine was spented 2 years of my life with a girl who
I truly thought, would one day be my wife, had it all figured out, I thought I did. We were only kids already
talking about kids. But forget talk cause I guess thatâ€™s all that it is. We went through a lot of shit to stay together
through all of it, just to call it quits when the going got tough. That was how we suppose to get going whatâ€™s that
show about us that shows we werenâ€™t in love we faked it now thereâ€™s just hatred. What a mistake, look how muc
time I wasted. It hurts but I take the pain with honor cause what doesnâ€™t kill you only makes you stronger.

My lifeâ€™s a game, that I canâ€™t stop playing. Ups and downs itâ€™s constantly changing. Iâ€™m a little careles
risks that I take, but Iâ€™m man enough to admit my mistakes. And I keep on learning as I keep on growing.

Everytime a door closes another one opens I just gotta keep going. I would never give up I gotta live up for the moment cause you only live once.
