Empty Glasses

CJ-R

Faded pictures of the life that I once loved
With the flash, the moments gone
I gave up all I have for something that never brought me
Any comfort, now, I'd be lost to long
(Deny it but I am alone here)
I've always hated this place
I never thought it end this way
(Deny it but I am alone here)
Another nameless face
(Deny it but I am alone here)
I've always hated this place
I never thought it end this way
(Deny it but I am alone here)
Please don't forget my name
(Deny it but I am alone here)
Empty pages warn me and I can't move on
The words I never said were wrong
I never needed to feel connected and now I'm only loved by
Empty glasses, it's gone on too long
I need to find a way to stress my way
(Deny it but I am alone here)
I've always hated this place
I never thought it end this way
(Deny it but I am alone here)
Another nameless face
(Deny it but I am alone here)
I've always hated this place
I never thought it end this way
(Deny it but I am alone here)
Please don't forget my name
(Deny it but I am alone)
I'm tired of you wishing me the best, all the time
Oh, oh, oh, it's a long ride home
A long ride home, oh, oh, oh
(Deny it but I am alone here)
I've always hated this place
I never thought it end this way
(Deny it but I am alone here)
Another nameless face

(Deny it but I am alone here)
I've always hated this place
I never thought it end this way
(Deny it but I am alone here)
Please don't forget my name
(Deny it but I am alone here)
