

# Lost

Russ

Let's get lost  
Lost in each other's arms  
Let's get lost  
Let them send out alarms And though they'll think us rather rude  
Let's tell the world we're in that crazy mood  
Let's defrost in a romantic mist  
Let's get crossed off everybody's list  
To celebrate this night we've found each other  
Mm, let's get lost Let's defrost in a romantic mist  
Let's get crossed off everybody's list  
To celebrate this night we've found each other  
Mm, let's get lost  
Oh, let's get lost
