

Tomorrow (remixed by Alex Callier)

Hooverphonic

It all comes down to winning, but defeat is no shame
Why do you lose interest when there's nothing more to gain
'Cause evil attracts, but our love will be a fact
Tomorrow
Tomorrow 'Cause time is up
And so are we
But still there's a chance to avoid defeat
Tomorrow
Tomorrow
Tomorrow
Tomorrow Just a little more effort do try to succeed
There's nothing in life that's impossible to beat
'Cause evil attracts, but our love will be a fact
Tomorrow
Tomorrow 'Cause time is up
And so are we
But still there's a chance to avoid defeat
Tomorrow
Tomorrow
Tomorrow
Tomorrow Time is up
And so are we
But still there's a chance to avoid defeat
Tomorrow
Tomorrow
Tomorrow
Tomorrow Tomorrow
Tomorrow
Tomorrow
Tomorrow
