

Bless the Youth

Sizzla

Yea man, all praises Holy One, Selassie I
Yea man, I say the Conquerin' Lion
Of the Tribe of Judah, you know I say bring down all evil conception
And all false and fake government in this Island
Yea man, I show dem fire bun dem politics
Church and commercial, yo Let the righteous man be exceedingly glad
Rasta bless your little and the much whey you have
Yo, it is ah earth struggle ghetto youths uno fi trod
Life for all your efforts how could you go do no bad Let the righteous woman be exceedingly glad
Rasta bless the youth, dem with the little whey dem have
Yo earth struggle ghetto youths uno fi trod
Life for all your efforts, yo, ey Mi say burn up to us, could they? Babylon ah blaze

Yo bigger judgment again Well, some see dem with dem election, oh, dem elect damn
And dem selection fi push up fi some finger
Tell the youths lift up dem hand to Ethiopia
Crocodile government, you get the power Tell dem say the fruit of knowledge
Must be used for the goodness of humanity
Rastafari be the first college
African inspiration is for humanity, well Let the righteous man be exceedingly glad
Rasta bless the youths them with the little whey dem have, yo
Earth struggle ghetto youth uno fi trod
And life for all your efforts how could you go do no bad Let the righteous ghetto youths be exceedingly glad
