

I See Right Through To You (Extended Version)

DJ Encore

I see right through to you
See right through to you
See right through to youI see right through to you
It's not like I don't feel your mood
What you have for me is different
Then the rest that moves
I'll be positive I know that I could be there to
'Cause you have it all, have it allI see right through to you
See your every move
See right through to you
See your every moveI know you now
I reach your mind
You've shown some how
What I could find
On the inside
There you will see
We're all alike you and me
