

Right Side Of My Brain

The Dream

Dream: I fell in love with a real heart breaker
Girl: I'm so sorry
Dream: And there's nothing I can do to shake her

[oh ohhh ei ei ei ei ei]
Girl: It's not you, it's me

oh ohhh ei ei ei ei ei
Dream: Breaker
Girl: I still love you

oh ohhh ei ei ei ei ei
Dream: Can't shake her
Ayyee-1st verse-

You touch me baby

then you un touch me baby

You feed me your lies

words like pie

You want me baby

then you un want me baby

Outsmart me baby

Now I'm all crazy

But I should be ashamed

cause I let

you do me this way

and it's unfortunate

that when you're in love

you never use...-chorus-

the right side of your brain (ehhh)

right side of your brain (ehhh)

right side of your brain (ehhh)

right side of your brain (ehhh)

right side of your brain (ehhh)

right side of your brain (ehhh)

right side of your brain (ehhh)

right side of your brain (ehhh)-2nd verse-

You love me baby

un love me baby.

You lead me on then

ya lock the doors when love's on

You heart me baby

then you hardly baby.

You need me baby

then you send me gone

You say I'm your friend

Up until the end

Then you tell me baby

You sell me baby

But I should be ashamed

cause I let
you treat me this way
can't lie, unfortunate
to say that love
never lets me use....-chorus-
the right side of my brain (ehhh)
right side of your brain (ehhh)
right side of your brain (ehhh)
right side of your brain (ehhh)
right side of your brain (ehhh)

You love me baby

Let me be
Set me free.
You near me baby
But not nearly baby.
You saying I'm your friend
Then why are we at the end?
But I should be ashamed
cause I let you
Do me this way
and I known
that all this time..
I should've been usin'...
the right side of my brain
right side of my brain
right side of my brain
right side of my brain
