

I Want You So Bad

B.B. King

Have you ever wanted someone
And you thought they didn't want you
Have you ever, ever wanted someone
And you thought they didn't want you
You know what you wanted to say to them, people
But you were afraid she may walk away
Someone like you, baby
Someone like you I ain't never had
Oh, someone, someone like you
Someone like you I ain't never had
Maybe I'm asking too much, baby
Oh, but I want you, I want you so bad
Oh, you look so good to me, baby
Baby, I just got to let you know
Yeah, you look so good, so good to me, baby
I just got to let you know
I wanna keep you forever, baby
I don't wanna ever let you go
So whatever you do, baby
Please leave me a way to get in touch with you
Oh, whatever, ever you do, baby
Please leave me a way to get in touch with you
I need you so bad, baby
When you leave I'll be so sad
