When Will I See You Again

Clocks

Precious moments
When will I see you again?
When will we share precious moments?
Will I have to wait forever?
Will I have to suffer and cry the whole night through?
When will I see you again?
When will our hearts beat together?
Are we in love or just friends?
Is this my beginning or is this the end?
When will I see you again?
When will I see you again?
When will I see you again?

Precious moments
Are we in love or just friends?
Is this my beginning or is this the end?
When will I see you again?
When will I see you again?
When will I see you again?
When will I see you again?
When will I see you again?
When will I see you again?
When will I see you again?
