

# Darling Be Home Soon

Joe Cocker

Come and talk of all the things we did today  
Hear and laugh about our funny little way  
While we have a few minutes to breathe  
And I know that it's time you must leave But darling, be home soon  
I couldn't bear to wait an extra minute  
If you dawdled  
My darling, be home soon  
It's not just these few hours  
But I've been waiting since you toddled  
For the great relief of havin' you to talk to And now a quarter of my life is almost past  
I think I've come to see myself at last  
And I see that the time spent confused  
Was the time that I spent without you  
And I feel myself in bloom My darling, be home soon  
I couldn't bear to wait an extra minute  
If you dawdled  
My darling, be home soon  
It's not just these few hours  
But I've been waiting since you toddled  
For the great relief of havin' you to talk to Go and beat your crazy head against the sky  
Try and see beyond the houses and your eyes  
It's so great to shoot the moon My darling, be home soon  
I couldn't bear to wait an extra minute  
If you dawdled  
My darling, be home soon  
It's not just these few hours  
But I've been waiting since you toddled  
For the great relief of havin' you to talk to For the great relief of havin' you to talk to  
For the great relief of havin' you to talk to
