

# Please Don't Find Me

## Civil Twilight

I ran my hands through my hair  
Looked behind me, there was no one there  
On the road from your house Steady walk, I kept praying  
But I don't know what I was saying  
I just kept moving towards the sunrise As much as I wanna be found  
As much as I wanna be found  
As much as I wanna be found  
Please don't find me  
There's so many things one can say  
All the truth they keep away  
Just keep from line by silver night Well, I traded all my love for this  
I traded all my special gifts  
Now I've got nothing left to cheat As much as I wanna be found  
As much as I wanna be found  
As much as I wanna be found  
Please don't find me 'Cause I've been running for a while  
And I'm used to this by now  
You wouldn't want to see a troubling display  
Of a man with nothing left to say  
As much as I wanna be found  
As much as I wanna be found  
As much as I wanna be found  
Please don't find me Please don't find me  
Please don't find me
