## **Graveyard Shift**

## **Sam Roberts**

I've Been Working The Graveyard Shift No One Ever Told Me It Would Be Like This Sundown Til The Morning Mist Starting My Day With A Moonlight Kiss And I Was Born On A Precipice

Between Salvation And The Great Abyss

Don't Think I Can Go On Like This Putting In Time On The Graveyard Shift I Go To Work At Sundown,

Pick-Axe Digging Into Common Ground

Night Falls But It Makes No Sound Duty's Calling From The Underground

Now Here It Comes It Comes

The Setting Sun Time To Dig Down And See What Side You're On

Until The Dawn The Dawn You're Soldiering On

Every Sundown You Gotta Be Reborn

Come Away, Come Away, Come Away

Come Sit By Me And See What I See

When I Close My Eyes At The Edge Of Sleep

And We Dream On The Blade Of A Knife

Following The Trail Of The Afterlife

Now Here They Come The Night Commuters

The Midnight Hoard The Dawn Refuters

They're All Here To Settle A Score

With The Phantom Limbs And The Ghosts Of War

Now Here It Comes It Comes

The Setting Sun Time To Dig Down And See What Side You're On

Until The Dawn The Dawn You're Soldiering On

Every Sundown You Gotta Be Reborn

Come Away, Come Away, Come Away

I've Been Working The Graveyard Shift

Traded Night For Day Now It's All I Can Do To Stay Awake

Eyes Heavy As The Moonlight Drifts Time To Dig, Time To Dig And Bury My Mistakes Bury My Mistakes

I've Been Working The Graveyard Shift

No One Ever Told Me It Would Be Like This

Sundown To The Morning Mist

Starting My Day With A Moonlight Kiss

And I Was Born On A Precipice

Between Salvation And The Great Abyss

I Don't Think It Can Go On Like This

## Putting In Time In The Graveyard
