

Rated 'X'

Loretta Lynn

Well, if you've been a married woman
And things didn't seem to work out
Divorce is the key to bein' lose and free
So you're gonna be talked about Everybody knows that you've loved once
They think you'll love again
You can't have a male friend
When you're a has been of a woman you're rated X And if you're rated X
You're some kind of gold
Even man turned and [Incomprehensible] to make
But I think it's wrong to judge every picture
If a cheap camera makes a mistake And when your best friend's husband says to you
You've sure started lookin' good
You should've known he would
And he would if he could and he will if you're rated X Well, nobody knows where you're goin'
But they sure know where you've been
All their thinkin' of is your experience of love
Their minds eat up with sin The women all look at you like you're bad
The men all hope you are
But if you go too far you're gonna wear the scar
Of a woman rated X And if you're rated X
You're some kind of gold
But even man turned and [Incomprehensible] to make
But I think it's wrong to judge every picture
If a cheap camera makes a mistake And when your best friend's husband says to you
You've sure started lookin' good
You should've known he would
And he would if he could and he will if you're rated X
